

Passion of Christ, Strengthen Me

Bishop Neumann Jr. Sr. High School

2023-2024 Annual Report and Appeal

Be the Light!

— John 1:5

Because God has made us, saved us, and called us to eternity,
Bishop Neumann will foster high expectations in a person's spiritual,
intellectual, physical, and social life.

A Message from Father Steven Mills

Dear Bishop Neumann Family,

I am new to this role of Chief Administrative Officer. I graduated from a Catholic school and I am all-in on Bishop Neumann and the education we provide for our students. Bishop Neumann's theme this year is **Be The Light**. I believe when we think of being the light, we tend to think of bringing goodness into other people's lives. But sometimes it is letting light shine in the darkness. Be The Light is rooted in not letting the dark moments of last year, or the dark moments in each of our lives win.

One way for us to grow in the light is to be transparent with our current financial situation. The numbers from last year were better than anticipated, but we still ended up in the red by almost \$190,000. We are able to cover this with our savings and with the help of our endowment fund, but those are limited for long term stability. This year the budget is going to be tight for a couple of reasons: rising costs, less savings, a decrease in enrollment, and a desire to minimize our parish assessments.

The result is a budget that was passed last year that is expected to run further in the red. We will try to make some adaptations and be sensible, but it is hard to make any drastic changes during the school year.

I know it is prudent to make our financial state known. HOWEVER, I have experienced the goodness of the Lord in a multitude of ways. I know that when we bring light into the darkness, God's power reigns. I know He is present in this school. I know He is working in our lives here at Bishop Neumann. I am filled with hope as I trust in our future. I encourage you to do three things:

1. Pray for our school
2. Be as generous as you can in whatever way you can
3. Listen to the words of Padre Pio: "Pray, Hope, and Don't Worry"

I have daily entrusted this school to God. He will do with it as He sees fit. These students amaze me day after day. We have incredible things occurring at this school that easily get overshadowed by darkness. It's time to Be The Light.

Keep on kickin' evil in the face,

Fr. Steven Mills

*** Total Loss was covered by savings this past year. Please see Fr. Mills notes in his letter on page 2.**

To better manage our budget, we have significantly reduced the size of the report this year. We appreciate your understanding, as we will be using the saved funds for more forward-looking initiatives. Additionally, we will only be sending electronic thank-you notes for gifts of \$250 or less this year to help offset rising postage costs.

About the Neumann Fund Annual Appeal

The Neumann Fund Appeal was created out of the 2015 Strategic Plan to reduce the tithing assessment burden placed on the parishes of the Deanery. In 2023-2024 the Annual Neumann Fund met our goal and raised \$282,000 through generous donors in and outside our community. Thank you! This next year 2024-25 we aim to raise \$300,000. Your annual giving to this appeal helps us reach our goal of providing an affordable truly Catholic education. For more information, FAQ's and to donate, please scan the QR code or visit <https://bit.ly/NeumannAppeal>.

List of Donors

Thank you to these donors who have given to the 2023-2024 Bishop Neumann Annual Fund. Because of their generosity, Bishop Neumann High School families benefit from tuition costs lower than the state and national average for Catholic high schools. Ninety percent of these funds go directly to support teacher salaries, benefits, and continuing education. We are most grateful for your support!

GALA 2024: Casual Cavalier Highlights

The 2024 GALA raised a total of \$308,500, which is not reflected in the operating budget as these funds are designated for special projects. While overall giving remained flat compared to last year, careful expense management allowed us to retain 11% more in net funds. Thanks to the GALA funds and "Fund-A-Need" contributions, we completed the extended learning lab on the north end of the library and installed new, much-needed gym doors.

Save the date for GALA 2025: April 5! We will be celebrating Bishop Neumann's 60th Anniversary with a special "Diamonds" theme.

2023-24 Teacher Wish-List

In addition to GALA, we raised **\$80,000** (which is not reflected in the operational cash flow) this past year for the Teacher Wish-List. These funds directly benefit students by enhancing their classroom and activity experiences. With this support, we purchased new classroom equipment, purchased sound boards for the performing arts department, and made much-needed improvements to the weight room equipment.

Become Part of the Legacy

The Bishop Neumann Legacy Society is comprised of individuals who have chosen to support the school's mission and long-term sustainability by including the school in their estate plans or through planned giving. Legacy Society members leave a lasting impact on the school and its community, ensuring their generosity and commitment continue for generations. Membership in the Legacy Society comes with special recognition and benefits.

Our goal is to double the size of our Legacy Society this fiscal year. Please consider making Bishop Neumann a part of your legacy. For assistance with any of the planned giving options listed below, contact the **Development Office at 402-443-4151** or visit <https://bit.ly/NeumannLegacy>.
